Mary and Aaryn,

Attached are talking points for Mary's consideration/use in her ABA presentation. I left in one alternative under ESA consultation. I believe they both convey the same message that we will consider comments while continuing to work with FDEP. Attached are the background documents for these issues and in a separate email I forwarded a briefing paper on NHPA.

Please let me know if you would like to discuss or need additional information.

Thanks

Subject: Deliberative: Urgent: Mary's speech to the ABA

All,

Mary will be speaking to the ABA this week and anticipates questions on assumption, specifically on the two issues I identify below. I have crafted a response and am sending it to your for your review. Please feel free to edit extensively; however, I must have this information complete by 4:30 on Monday (tomorrow 6/15). Sorry for the quick turn on this.

Please loop in HQ too. Please add any issues/thought that I have not included.

thanks

Jeaneanne
